

# **LOGO CONTEST**

Our three linked parishes, SS. Peter and Paul, Holy Rosary and St. Ann, are working on putting together a welcome pamphlet to put in the pews. The pamphlet will be a way for visitors to request more information on joining one of our parishes.

We are looking for a logo to include on this pamphlet. We have so many talented artists within our three parishes so we decided to hold a contest for the design of the linked parishes' logo.

Anyone who wishes to create a logo can do so on this form and return it to their faith formation coordinator or parish office by December 20<sup>th</sup>. Entries will be judged and, if a design meets all our needs, will be chosen to be on the pamphlet and other printed items as needed.

Entries should be limited to fit inside box and contain images and/words to represent our three linked parishes. Entries can be in black and white or color. Please make sure to complete the bottom of the page to ensure we know who submitted the work.

Our 3 parishes' mission statement are below to help focus your creativity!
