

We're excited to announce that

Travis Vanden Heuvel, co-author of the #1 Amazon Bestseller “*To Heaven & Back: The Journey of a Roman Catholic Priest*” and Catholic speaker, will be giving a presentation at Holy Rosary on Tuesday, September 25th at 6 pm.

With more than 10 years of lay-leadership experience, and specializing in millennial participation in parish life, Travis gives several lectures and facilitates workshops centered around re-energizing disengaged and fallen-away Catholics.

His presentation is entitled: ***The Exodus: Why an entire generation left the faith and how can we bring them home?***

Millennials have left – and continue to leave – the Catholic Church in record numbers. This presentation gives parishes and parishioners the tools and information necessary to bring them back. The presentation will be followed up with a Q&A session and book singing.
