For this season, we will be using The Mass of Christ the Savior for the Mass parts, but using the GLORIA from the Heritage Mass. We will NOT be learning a new song until after summer.

Scheduling for this season was based on the days (times) given to me before the planning meeting. Please try to play on the days scheduled (unless changed by me or in the event of an emergency). If cannot make your appointed day(s), please call a sub yourself. Please do not call a sub and then call me and tell me you need a sub because it makes for an embarrassing, frustrating and confusing situation. Thank you.

Songs on the Song Schedule may be changed at the discretion of the accompanist and/or cantor, but please notify the others of these changes, if needed.

THANK YOU FOR PERFORMING THESE VITALLY IMPORTANT SERVICES TO THE LORD AND OUR PARISH! MAY GOD BLESS YOU ALL AND MAY YOU ALL HAVE A BLESSED AND JOYOUS HOLIDAY SEASON.
