Capital Campaign Discussion:

John Klinzing reviewed bids and/or estimates for boiler replacement or conversion to gas furnaces and additional future building improvements which include gymnasium roof, ADA bathroom updates and kitchen updates. A tour of all these facilities was provided to showcase the items in need of repair/updates. The joint council recommended the next step is to review these expenses with parish members for their feedback in town hall sessions following masses at Holy Rosary as soon as possible. The Town Hall sessions are proposed for April 1st and 2nd following the scheduled mass times.

Adult Day Program:

More research needs to be done before we can discuss a potential rental rate for Willowdale.
