

**SOS DRS**

Servants of St. Camillus  
Disaster Relief Services

*Witnessing the merciful love of Christ for the poor and the sick in disasters.*

## **We need YOUR help**

*SOS DRS has served thousands of people affected by disasters. We have relieved suffering by providing food and shelter and pastoral, medical and psychological care.*

*Please support an organization with a mission you can trust through prayer and by making a financial gift. We help the neediest of the needy. For our mission appeal, please make out your check to your parish.*

## **Who WE Are**

Servants of St. Camillus Disaster Relief Services (AKA “SOS DRS”) is an integral part of the Camillian Disaster Service International (CADIS) - the international disaster relief network of the Catholic Order of the Ministers of the Infirm.

The network is community-based, Eucharist-centered, and Marian-inspired. It is composed of Camillians and their collaborators: lay men and lay women, priests, deacons, sisters and brothers who are committed to serving others.

Members of CADIS respond as teams to man-made and natural disasters. They offer their pastoral presence, professional healthcare competence and humanitarian support. At the disaster site and elsewhere, members of CADIS live, work and worship together.

They are healthcare workers (doctors, nurses, dentists, midwives, community health workers, pharmacists); pastoral care agents (trauma and HIV counselors; those who visit the sick; chaplains); students, translators and other people committed to providing humanitarian support (food, clothing, logistics).

We serve the neediest of the needy – people affected by man-made and natural disasters.

***Join us! And pray for us and those we serve.***

## *Our Mission*

To witness to the merciful love of Christ for the poor and the sick through...

serving the medical, pastoral and humanitarian needs of people affected by man-made and natural disasters regardless of race, religion or ethnicity.

SOS DRS members offer their pastoral presence, professional healthcare competence and compassionate humanitarian support. At the disaster site and elsewhere, members of SOSDRS live, work, pray and worship together.

## *Providing Relief*

SOS DRS brings spiritual, psychological and material assistance to the victims of natural and man-made disasters. Plunging in to begin relief efforts when all civilized infrastructure has been swept away by flood or hurricane, when disease begins to spread and safety compromised by the absence of authority, SOS DRS and Camillian Disaster Service International mobilizes and acts.

## *Worldwide Impact*

SOS DRS receives details of needs by fellow Camillians throughout the world where disasters have happened, and leveraging the presence of 1200 members of the Order in 25 countries, is able to vastly increase the impact of the dollars given by Catholics here in the U.S.A. by relying on members of the Order already on the ground in affected areas!
