

A KNIGHT OF  
**Creative  
Crusades**

**8<sup>TH</sup> ANNUAL**

**DIVINE SAVIOR SCHOOL AUCTION**

The date is set for the highly anticipated, Eighth Annual 'Knight of Creative Crusades' school benefit auction. It will take place on Saturday evening, April 7<sup>th</sup>, at the Altona Supper Club in New Holstein. We will again be seeking auction items that utilize both individual and group time and talent creations, and are generously donated by our parishioners, school families, and other area individuals, businesses, and merchants who wish to take part in this fantastic event for our school. Proceeds from the "live" and "silent" auctions and raffles will benefit the operation of our school and help enhance the curriculum and learning experiences of our students at Divine Savior School.

Hot and cold Hors d'oeuvres, refreshments, and other delicious treats will accompany the fun and excitement of the evening.

Mark your calendars, start working on those projects, and please share with us the God-given talents that you possess, which are such a focal point of this fundraising event. We hope that you plan on joining us on April 7<sup>th</sup> for the school's "**Knight of Creative Crusades**" benefit auction.

\*Many more details will be made available as the time draws nearer. For further information or to become involved with the organizing committee, please call Jeff or Dawn Volland at 920-894-7061.
